## VIRTUAL TEAM-BUILDING

Is your team feeling disconnected, struggling with virtual communication, or needing to find a new normal?

### *What We Do:*

Now more than ever, we are all craving connection in a time when COVID-19 brings new stressors and concerns to our daily lives. For many, the need to adapt to these changes has created new struggles, especially when it comes to working as a team. We have developed unique approaches to socially distanced team-building with the ultimate goal of accomplishing the intended outcomes of in-person programming.

Programs are available to socially distanced teams and are customized to the goals and needs of the group. Programming can be accomplished in many different formats and styles, using easily accessible tools.

### *The Technology:*

Our virtual team-building programs are best suited to individuals on their own screens. Optimally a computer or laptop, followed by tablets and phones. Call-in attendees inhibit the options of facilitating and often affect the other attendees' willingness to build trust in those they cannot see.

### *Packages & Options:*

**Icebreakers:** A collection of games and programs intended to get groups laughing, talking, and thinking as a group while learning new things about each other.

Maximum ratio of 1 facilitator: 50 participants

One-Hour Minimum

**Team-building** (Icebreakers and Initiatives): Beginning with icebreakers as described above, our team-building program dives deeper into communication, problem-solving, and developing the group dynamic.

Ideal ratio of 1 facilitator: 15 participants  
Maximum Ratio 1 facilitator: 30 participants,  
*Additional facilitators added and recommended at the same rate.* Smaller group sizes when possible are most beneficial to your team's experience.

Two-Hour Minimum

### *Pricing:*

\$125/Hour, per facilitator following the ratios and minimums expressed above.
